

## DANIELSON AND PUTNAM NEWS

### DANIELSON

Wesley Wilson, for sixteen years clerk and treasurer of the borough, made known Thursday morning that he will not be a candidate for re-nomination this month at the annual borough election in April. Mr. Wilson feels that he has done a full period of service in public office and is anxious to retire. Mr. Wilson also stated that he will relinquish his duties as clerk of the board of selectmen of the town of Killingly at the end of the present fiscal year.

### Have Pains?

Aches and pains seem to be the lot of the ordinary mortal. However, these should be taken simply as nature's warning signals that some part of the human machine is out of order. It is a mistake to resign one's self to physical torture when the cause can be removed.

### Foley Kidney Pills

stone up weak, inactive, sluggish kidneys and help rid the blood of poisonous waste matter that causes aches and pains in arms and legs, backache, rheumatic pains, sore muscles, stiff or swollen joints.

Isaac B. Turman, Ashbury Park, N. J., writes: "My back caused me a great deal of trouble for some time. I experienced sharp, shooting pains which were due to the condition of my kidneys. One bottle of Foley Kidney Pills completely relieved me. The pains left my back. I recommend Foley Kidney Pills to my friends."

LEE & OSGOOD CO.

is known about, and that means in all sections. No more faithful nor efficient official has held office in Killingly nor the tribute that is his due. All of his work has been done with scrupulous care. He was punctilious to a degree, courteous and kindly in all of his dealings with the citizens of the borough and town and a mine of information relative to details of borough and town affairs.

Multitudinous as have been his duties, including the collection of sewer assessments and many other special funds, he has never failed to accomplish in thoroughly satisfactory manner all the difficult tasks assigned him. At annual borough meetings his reports have always been accepted without debate.

Danielson is deeply sensible of the loss that it will sustain in the retirement of this efficient public official and the town, too, will share in that feeling. After his long period of service Mr. Wilson is about to retire with the utmost respect and appreciation of his fellow townsmen.

Danielson's newly organized supply company of the mobile artillery regiment recruited as a part of the national guard of Connecticut, will be mobilized on Friday evening of next week. It was announced Thursday afternoon by Captain P. O. Armington after a telephone conversation with Adjutant General George M. Cole.

A regular army colonel who is coming into Connecticut from Boston next week will mobilize the local organization, which to date has 57 recruits. Immediately after mobilization the new company will be outfitted with uniforms and other necessary equipment. The 42 motor vehicles

that are to be assigned to the Danielson company, including 20 motor trucks, 10 cars, 10 light trucks, 10 light cars, but probably not until the garage that is to house them is erected, as provided for in a bill now pending in the general assembly.

Captain P. O. Armington will command the new organization. He has had long experience as a national guard officer prior to taking charge of the state guard company recently disbanded. Who the lieutenant of the new company are to be has not been announced, though the name of Lieut. Ira A. Warren, who was an artillery and later a supply officer overseas, has been heard mentioned.

Captain Armington is confident that he will have no difficulty in securing the additional eight men required to bring the company to maximum strength, and it is likely that some of these places will be filled by former service men who have about decided to enlist.

Star bakery special prices for Saturday. Raisin bread, 12 cents; doughnuts, 18 cents; donuts, only very finest materials used.—adv.

Manager Robert Pellerin, of the Connecticut Mills basketball team, has another game scheduled for his team for Saturday evening when the Newport Naval Reserves team will come back to Danielson and endeavor to repeat its stunt of defeating the local five, something it managed to do on the occasion of the first game. To meet the possibility of this happening Manager Pellerin will strengthen the makeup of his team, which will be exceptionally fast and powerful.

Chief John McFarland, who officially acts as hall of the borough of Danielson, will be a candidate for re-nomination and re-election at the borough caucus and election that are just ahead. It is believed that Chief McFarland will be unopposed. He is an able and alert officer, a fact that is appreciated by the residents of the borough.

Charles (Billy) Russell, who is traveling with the Gamboles of 1921 in the middle west, writes that he likes the company and his work. With a partner he is presenting a novelty specialty act. Quantities of coal are coming through for some of the manufacturing concerns in this territory, a fact that is taken as meaning that there is business in sight for the spring and summer season.

News will be awaited today (Friday) with special interest from the stockholders of the Goodyear Tire and Rubber company meeting at Akron. The favorable outcome of the difficulties of this great corporation mean a great deal to the town.

### PUTNAM

Judge M. M. Geisler, presiding at Thursday morning's session of the city court, ordered that Frank Ziarnas, who made his second appearance of the week, to pay \$12 each week for the support of his wife and children. Ziarnas requested that a third party be named to whom he might hand the money for his wife and children, at the same time expressing his fear that if this were done he would be accused by his wife as not paying as the court directed. After some discussion Judge Geisler appointed Constable Peter Gardner to receive the money, instead of the regular probation officer.

Among bills unfavorably reported and rejected in the legislature was one prohibiting the taking of fish from the Woodstock pond reservoir. The bill was introduced. It is understood, at the request of some Woodstock people, but did not receive strong support, so was given an unfavorable report.

John Poellis, a wood chopper, cooled his heels in a cell at the police station during Thursday while awaiting the appearance of a relative who was expected to pay the fine as costs imposed upon him for being intoxicated. Poellis was arrested Wednesday afternoon while he was trying to drive a horse his aunt attracted the attention of the police and Captain Bulger had a time in getting him to the police station.

Mr. and Mrs. S. Nickoff are to give what has been termed a Harding whist at their home west of this city. A considerable number of persons have planned to be present from Putnam.

Exbridge High School team will come to this city this evening for a game with Putnam High School. The contest will be the last of the season for the P. H. S. team, which wound up its league schedule with a win over High School at Mousup Tuesday evening.

Herbert W. Bowen is to preside next Wednesday evening at a Hoover banquet to be given at the new community center at East Woodstock. Address are to be made by A. W. Rosier of Yale University and Stanley Kelley, head of a school at Pomfret. A feature of the gathering will be the impersonations by Woodstock men of all the presidents of the country from Washington to Harding.

A bill approved by the house at Hartford changes the name of the corporations of Woodstock Academy to "proprietors" and increases the amount of property they may hold as such to \$100,000.

There was special interest among the American Legion members here Thursday in the measure that Frank S. Butterworth of New Haven, treasurer of the Connecticut department of the legion, proposed to introduce in the legislature with the aim of checking criticism and putting a stop to the talk of any who might be disposed to take advantage of the state's generosity toward ex-service men. Mr. Butterworth's bill would make it a misdemeanor for obtaining state aid at the expense of the state, or may be obtained in making that committee of Anselm Mayotte post of this city is investigating all claims that come to it for state aid.

After a period of several years of inactivity Thompson's Throat Detaching society has been revived and Oscar Munyan has been elected president of the organization. It is believed that the crime wave that is sweeping the country has been the means of bringing about a revival of the organization. Putnam, Woodstock and Killingly also have theft detecting societies.

In connection with the hearing of a case before the city court Thursday morning an outright charge that a Putnam man is selling liquor illegal was made to the court. Though the matter was of surpassing interest in these days, no attention was paid to it at the moment, as it had only incidental bearing on the case under consideration. It may lead to developments, however.

### STAFFORDVILLE

The pastor, Rev. J. M. Von Deck, preached an excellent sermon in the M. E. church Sunday to a good sized audience from Prov. 25, "My son, give me thine heart, and let thine eyes observe my ways."

The Epworth League topic for next Sunday evening in the Methodist church will be "The Golden Rule." Leader, Mrs. J. M. Von Deck.

Mrs. Frank E. Belcher was called to South Coventry this week by the death Tuesday of her father, Wm. C. Taylor.

The funeral of Charles Bradley was largely attended in the M. E. church last week Thursday afternoon. Mr. Bradley died suddenly at the home of his daughter, Mrs. Faret Smith in Monson, Mass., last week Monday. He was formerly a resident of this town. Three daughters and two sons survive him. The floral tributes were beautiful. Burial was in the Staffordville cemetery.

The hostesses for the church supper this week in the M. E. vestry were Mrs. James Swift, Mrs. Herbert Poworth and Mrs. Fred Sanger. An entertainment followed the supper.

Damp climates are undoubtedly the best for raising umbrellas.
